2024 IEEE International Workshop on Electromagnetics : Applications and Student Innovation Competition (iWEM 2024)

July 10-12, 2024 Taoyuan, Taiwan

IEEE International Workshop on Electromagnetics: Applications and Student Innovation Competition (IEEE iWEM 2024) will be held at Lunghwa University of science and technology, Taoyuan, Taiwan. iWEM started in 2010 and was named as “International Conference on Applications of Electromagnetism and Student Innovation Awards” (2010 ICAE/SIA). The conference was renamed in 2011 as “IEEE International Workshop on Electromagnetics: Applications and Student Innovation Competition” (2011 IEEE iWEM). Supported by IEEE, this workshop series provides not only an international platform for scientists and engineers to exchange their ideas, but also a good venue for young scholars and students to demonstrate their innovative results.
